### **PARCC TESTING**

**PARCC Testing will be April 18-21.** Please make sure your child is at school on time every day. Testing will be held at 8:00 a.m. and if needed will resume at 12:45 each day. At the end of each test, class will resume as normal.

### **Important Dates:**

April 7 - First half of AR is due

April 14 - No School

**PARCC Testing will be April 18-21**

April 24 - Biopark Field Trip

April 27 - "Take Your Child to Work"

### **May Schedule:**

May 9 - Isotopes

May 16 - AR Completed

May 17 - Bowling

May 18 - Play Day

May 19 - Last Day of School! Noon dismissal. (No afterschool program.)

### **Field Trips**

We have a lot of fun field trips scheduled this spring. Students must have passing grades (no F's in T3 overall grades) to participate. Please check PowerSchool regularly.

### **Bio Park Field Trip April 24**

If you are available to chaperone all day please let Mrs. Bachechi or Mrs. Knight know through email or a note. Thank you!

### **"Take Your Child To Work Day" April 27**

If you are planning on having your child participate in this event, please send a note to school so we do not count your child absent on this day.

### **Language Arts**

For the remainder of the year the novel work will be completed in class. I only have class sets of the books. We will be reading Call of the Klondike, Warhorse, and Navigating Early. Students will have time in class everyday to read.

### **Social Studies**

As you have seen we have been practicing note taking. This will not change. I will continue to provide chapter outlines. I offer Scholastic News every week that can be completed for extra credit.

### **Math & Science**

For the remainder of the grading period in Math we will be working on Graphing Inequalities, Graphing Coordinate Points, and Linear Relationships. PARCC being around the corner we will first work on a review of several different mathematical topics. Science will be Unit 13 - Matter. If time allows we will also do Earth's Oceans. Please continue to work on MobyMax and check grades and Science question on PowerSchool.

**Thank you for completing the Quality of Education Survey!**
