Changes for November

Mrs. Bachechi will be out for surgery after Nov. 3. Her recovery will be 4-6 weeks. If you have any concerns about any classes please email Mrs. Knight at jknight@splc-nm.com. She will be in contact with Mrs. Bachechi during her recovery.

Atomic Museum Field Trip

We will be leaving at 9:00 and having lunch at the park. We will return after lunch. If you are available to chaperone please let Mrs. Knight know. There will only be 4 chaperones for 6th grade.

Important Dates:

Nov. 3 - Mrs. Bachechi's Last day
Nov. 10 - Veteran's Day - No School
Nov. 21 - Atomic Museum Field Trip
Nov. 22-24 Thanksgiving Break

Language Arts and Social Studies

Students will be starting Son of Neptune November 7. Please send back Lightning Thief novels that are at home.

The students and Mrs. Knight are working on time management and are completing a majority of the work in class at this point so students can focus on Khan Academy for Math at home.

Math and Science

The established routines in Mrs. Bachechi's class will remain during her absence. Students will still have regular Math and Science assignments. Math Mates will be due every Friday and Science Extra Credit on Wednesday.

Khan Academy

Students need to spend 45 minutes a night (4 nights a week) completing Khan Academy.

Google Classroom

Students now have access to Google Classroom. This is accessible from any device with internet. The easiest way to get to it is to Google "Google Classroom". Students have been assigned logins and passwords at school that are NOT gmail accounts. Their login is the same as PowerSchool with @slc-nm.com at the end and their password is their student number. The class code is 03j79h7. Please have your child show you Google Classroom. Mrs. Bachechi and Mrs. Knight will begin posting the class agendas on this site.
