February

Valentine's Day

We will have a small Valentine party on Thursday, February 14. If students wish to bring valentines, they must have one for each student. A list of names will go home later this week. If you would like to send in treats to share, please let your teacher know for planning purposes. Thank you!

Math

4th and 5th grades are working on fractions. Key issues I see that need practice are finding the common denominator and simplifying. Students always have access to our free online math program to master skills.

Multiplication Facts: Your child should be at least on their 9's, many are done. Continue to practice at home, in the car, on the train, at the spa, etc. to get them caught up.

Language Arts

Book report projects for 4th and 5th grade are due on Monday, March 4th. Rubrics are posted on the class pages if your child has lost it! Bonus points will be awarded for projects turned in early, so don't wait!

*** Intent to Return ***

On February 4th, you should receive an email regarding your intent to return to Southwest Preparatory next school year. You must complete the online form no later than **February 25** to reserve your child's place in our program. If you are certain you will NOT be returning, please let us know by completing the form so your space will be open for others. Students not reserved by Feb. 24 will lose their spot for next year, so don't delay!

Attendance - Too Many Tardies!

Many students are habitually arriving late to school and are missing out on announcements and instruction. Class begins promptly at 8:00 am.

Lost and Found

Has your child's jacket or lunchbox disappeared? Our lost and found is overflowing, so be sure to look for missing items.

Student Council Announcement

Candy Gram Sales are going on now thru Feb 8th, and will be delivered next week.

Purchase from Alex at the front desk for \$5

Movie Night - March 1st at 5:00pm.

Incredibles 2 will be shown for SLC students.
