Fun Friday

Starting February 8, Mrs. Bachechi and Mrs. Knight will be using Friday mornings to work one-on-one with students. Students with passing grades in the core classes will get to watch a movie, read, play games . . . and students who need extra help will be with us working to improve grades.

Extra Credit in Science

Attend the Brain exhibit or Drugs exhibit at the Natural History Museum and bring in your ticket for attending. Mrs. Bachechi will add it to your Science grade!

You must complete the online form no later than **FEBRUARY 25** to reserve your child's space in our program.
