

Southwest Secondary Learning Center

Summer Session

June 1 -30, 2021

Catch-up or Get Ahead for FREE!

Hello Students and Parents,

As we emerge from the COVID-19 pandemic and the need to address possible learning loss, SSLC would like to offer our student community the unique opportunity to meaningfully engage with progress towards graduation. *This will be a great way to lighten class loads for the future, make-up lost credits and/or spend the summer productively!*

SSLC students may take up to **TWO** courses for **FREE** (\$400 savings).

Who/What/Where/When:

1. Any currently enrolled SSLC student
2. Virtual/remote summer school
3. Zoom Sessions for Assistance: Monday – Thursday 12:00 – 2:00 pm.
Helpline will be answered during that time as well, so plan for a delayed response.
4. ELA and Math assistance will be available (Mr. Robinson and Mrs. Riehl).
5. Contact your **sponsor teacher** via email. In collaboration, pick up to two Edgenuity courses that will **best** support progress towards graduation. Please choose carefully as these courses will be added to your transcript *and* affect your GPA.
6. Edgenuity courses will be added to your console on June 1 or before.
Course work must be finished by June 30, 2021 at 3:30 pm to receive credit.
7. Courses will be of regular length, and A-F grades will be awarded.
8. Students must earn a 60% *relative grade* **AND** take a cumulative exam in order to receive credit.
9. Free movement will be engaged for one day *only* (June 29) for access to cumulative exams. Cumulative exams will be open upon request prior to this date.
